Big Flat 65%
Merchant Valley 50%
Kimberly 76%
Minersville Reservior 11,380
~~Dit~~
Mt. Holly 8 acre feet last year
All measuring devices are in place below Patterson dam.
Commisioners report approved unamously
How can they change water locations without cutting down right.
Robin Bradshaw wanted us to thank Ronnie for doing a good job.
Municipalities have unlimited uses. Order of water to Elk Meadows can't be regulated through three creeks.
Mark Truman abt about transferring water from 1 well to another and Water Commissioners can't check on amount used until right is approved.
Financial report.
Total receipts of $19,724 and began with $12,123.
Budget of 21,739. $784 in delinquent accounts
Finacial report accepted unamously.
Mr. Simms gave a budget report.
State has some used vehicles that Ronnie

could drive. Ronnie traveled over 16,000 miles
Using a state vehicle gives Commission more authority.
Motion made by Robin Bradshaw 2nd by Jeff Joseph that Ronnie get a State vehicle. Unanimously approved.
~~Ronnie says~~ Mt Holly, Elk meadows has a water commissioner of thier own, Rodney Brown. Thier water should be metered at pump.
Mark Smith said we need legal discriptions of changes applications.
Ronnie wants $1,000 increase in salary & $100 for annual report. Budget of $24,186 Motion made to approve new budget. Unamously approved.
Motion made of set budget at $23,000 and take the rest out of surplus fund Unamously approved.
Moved that keep same board but put Jimmy Carter instead of Blake Smith. Approved
Robin Bradshaw says home owners are digging into Mammouth Canal and it could wash out.
Mr. Simins said that State is trying to make all 38 water ~~sys~~ systems more uniform.
Need comments on new differences and wants comments by 15th of April
Filbert Yardley bought up concerns of other cities, County, & States trying to take our water.
Meeting adjourned at 11:30.
Thank to all those who put in measuring devices
