Minutes of Beaver Feb 18 - 2010
Moved by David Bradshaw to accept 2009 minutes.
Steve Gale gives report. People have been good to help whenever problems.
Beaver River 40,656 ac. feet
North Creek 12,612
Indian Creek 3,408
Minersville 11,457 acre feet
Repairs Moved to accept Commission Report moved by Dan Goff.

Need measuring device at mouth of canyon.
Cleaning needs to be done at Carol Riley.
Repairs Steve Gale needs to have done on many measuring devices & headgates
list repairs in minutes
Steve Albin will put new measuring divece for $3500. Jeff Joseph said he thinks commissioner should walk ~~ditch~~ Mammoth Cand. Ditches should send someone with him to walk canal.
Mike Silva ~~reports~~ of State office
Will enter diversion on day to day basis for each ditch. He says North Creek has a really good system.
All system needs to be repaired and brought up to standard. State may shut of water if these aren't completed. State is going to check with flow gage to make sure water is being measured accurally. Mark Truman thinks they should have new measuring device at bridge on hwy 21.
Trust Fund for 2009
