Indian Creek 1,236

64% of average for snow coarse ~~today~~ as of today.

Minersville Resivoir only 50% of last year.

Moved & 2nd Ronnies report be accepted unamously passed.

To Salary 9,150, $320 increase in salery to pay Commissioners retirement fund

Mr. Simms said State Engineers budget will be cut by 2%

He says they will have to cut what it costs to maintain gaging station. It costs State Engineer $5,600 each year to service & maintain This is matched by ~~USD~~ USGA and comes to a total of $11,000.

Motion made by Gordon Roberts that Beaver River President and Board meet with State Engineer to determine if State will have funding after July 1st. 2nd by Robin Bradshaw

to maintain station in Mouth of canyon.
Gaging stations don't measure accurately when river gets above 650 sec. feet.
Motion passed unanously.
Budget needs to be increased ~~to~~ ~~to $17,300.00~~
Assesment needs to be $17,300.00
Motion moved & 2nd to approve assesment.
Motion passed.
Russel Albrect ~~[illegible]~~ is new board from Minersville along with Hayward Marshall.
Clark Bradaw replaced on board by David Bradshaw to represent North Creek & Indian Creek.
Mike Smith brought up that Upper Northcreek needs to be measured & ~~[illegible]~~ regulated so lower company gets their share of the water. He sent letter 6 months ago to have them get all ~~[illegible]~~ ditches so it can be accurately measured.
Moved to adjourn 2:20 pm.
