COUNTY OF Saltlake)

Lott Powell, being first duly sworn upon oath deposes and says:

That he was in that portion of the country now known as Duchesne County, State of Utah, in the year 1905 when the same was thrown open for settlement;

That he is personally acquainted with the condition of that certain stream known as Sand Wash, and in particular that part of the said Sand Wash situated in Township 1 and 2 South, Range 3 West, Uintah Special Meridian;

That said deponent says of his own knowledge that the said Sand Wash and its tributaries in 1905 and for several years thereafter was a dry wash and ran no water whatsoever except after rain storms and the melting of snow in the springtime; that during the rest of the year the area in which the said Sand Wash is situated was a desert country.
