year and assement be same as last year.

Motion approved:

2001

Commissioners term be for 4 years by legislature. Moved & Ronnie be retained Unamously approved.

Discussion on transfer of Water to Mountain they shouldn't be able to keep B. & irrigate with it A & B should both be transfered

Patterson Dam is a dry dam and no water can go below this.

Study made 3 years ago, less land being irrigated than in 1931 in Beaver Valley

Gil Yardley said that something needs to be done to measure little ditches coming out of main slough so that they don't get increased amount.

Dave Bradshaw & Dan Goff moved that the board be held over

Moved we adjourned at 2:35

See what percent of Beaver River Minersville & Rocky Ford have in voting for Commissioner
