Dear Hubert:

Re: Second South Field Irr. Co.
vs William R. Yardley.

I enclose herewith a petition asking that the prior memo decision of date Nov. 18th, 1963, be amended to decide all the questions posed therein; so that one appeal, (if there be one) can present all of the problems to the court for a final determination, and avoid more hearings at more expense, time and work.

I am mailing a copy of this to Dallin for his files, and one to Noe Novak.

Sincerely yours,

SC/e
