PROTEST

TO THE STATE ENGINEER OF UTAH

We, the water users along the Duchesne River between the toens of Talions and Duchesne, Utah , have been advised by the State Engineer that the Duchesne River will be run on the allocation of a foot to seventy acres for all water users.

We the undersigned wish to protest this water allocation for the users of the following irrigation ditches:

Dated at Duchesne, Duchesne County, Utah, this 8 th day of July 1976
