Mr. Robert L. Morgan, State Engineer
Utah Department of Natural Resources
1636 West North Temple
Salt Lake City, UT 84116

Dear ~~Mr. Morgan:~~ Bob

Enclosed is the Provo River Flow Report for November 1988. This report summarizes the release and utilization of the waters associated with the Memorandum of Understanding which was executed on November 14, 1988. This report does not include all the flows of the Provo River because the report for the total operation is prepared by the Provo River Commissioner.

Sincerely yours,

Don A. Christiansen
General Manager
