To: Mike Silva <mikesilva@utah.gov>

Circle 4 Farms: 1459.30 water use limit , 3848.15, is account units. - I am assuming this is from the meter readings but which number do I use for billing "acres" this year. ? 3848.15 af is the amount of water rights they have, not the metered amount.
---just confirm WUL and Billing They should be billed for 962.04 acres.

Also I wonder if we need to change the name on the account from Circle 4 to Murphy Brown, LLC, since that is the current name on the water right 71-4776. There are probably many other WR's I may want to update that off the spreadsheet when I have time. I have them listed on the spreadsheet as Murphy Brown. You could change the account name.

Gillins Property: METER
I combined 103147 acct into 103488 to total to 20+51.24=71.24 acres for both WUL and billing. Yes I will combine them also. We probably need to require a meter here. DON

101304 Williams James Max zero's inactivate this account? Yes, inactive but Scott and Toni Williams owns that water right now.

101306 All crossed off, is that one to inactivate what is WUL if not shwing 70.02 and billing acres are 62.25, or does that acreage need to combine into 103226? No, I made an error. Jimmy Williams conveyed wr 71-1 to Scott and Toni not Clayton. So Clayton has 37.5 acs (no change from last year). If we combine account 1033037 (Scott Williams) and 101306 (Scott and Toni Williams), then they have 188.01 acs which includes Toni Smith's wr #1253 of 27.7 acs. (Scott's cousin).

Acct 101313, is currently under jeff marshal, does it need to go back to Noel Wood? 19.98 acres? change application a40561 moved the Noel Wood water to Jeff Marshall farm. I showed the water rights in both places on the spreadsheet. Should I remove Noel Wood from the spreadsheet? Jeff Marshall should have a meter.

MILFORD ~~[illegible]~~ Bill Milford City
CITY 402.5 ACRES OF WATER
