Waterusers Committee now acting be the committee for 1960. The members of the committee are:

E. S. Gardner, President. St. George, Utah
Paul Hafen, Vice President, St. George, Utah
Vaughn Jones, Member, Veyo, Utah
Austin Bracken, Member, Central, Utah
Archie Gubler, Member, Santa Clara, Utah
Charles Hafen, Secretary, Santa Clara, Utah

State Engineer Wayne D. Criddle stated they were recommending that the river systems throughout the state adopt Articles of Association, also that there should be a penalty for late payments of assessments. He recommended a penalty of 10 % of the assessment to be charged on payments made after sixty days from the date the assessment notice was sent out but not charged if paid before June 1. The amount of the penalty and the date it would become effective would be stated on the assessment notice.

A motion was made that we go on record as favoring the State Engineer's recommendations. Motion carried.

Meeting adjourned.

Charles Hafen, secretary.

A majority of the members of the association and a majority of the rights on the creek were represented.

The minutes of the meeting held Feb. 18, 1959, were read and approved.

Mr. J. Vinton Smith read the 1959 Financial Report of the Santa Clara River Distribution System. The report was approved.

Water Commissioner Wilford Holt recommended that the Indian Reservation and the Bloomington Irrigation Co. install measuring devices at their Diversion points.

A motion was made that the following be the Budget for 1960 and that the State Engineer be authorized to make an assessment to raise the amount set up in the Budget. Motion carried.

Budget.

Commissioner's Salary	$720.00
River Systems Watching Social Security	21.60
