WATER RIGHTS
SALT LAKE

Att: Robert L Morgan
State Engineer.

Dear Sir:

We were unable to attend the annual meeting of the Sanpitch River Water users and representatives of the Division of Utah Water Rights held Wed. Jan 14, 1998 at 10 AM in Moroni, due to not recieving the notice until Jan. 16, 1998.

You can see from the envelope it wasn't even mailed until Jan 14, 1998 (the day of the meeting) although the letter is dated Jan. 5, 1997.

We request a copy of the minutes of this meeting since we weren't notified in time to be there.

Thank You
Sincerely
Ralph Washburn Sec.
