Dear Sir:

I received the enclosed bill for $102.50 for the annual water assessment.

In the past my assessment has been about $25.00 per year. There are several other users on the the San Pitch system, I believe you have billed me for the entire system.

I am enclosing $25.00 for my fee. If there is any discrepancy please write.

47-1B

Sincerely,
Ethel B. Wheeler
