Mr Dee C. Hansen State Engineer
1636 West North Temple St.
Salt Lake City Utah

Dear Mr Hansen;

As president of the Rock Canyon water company of Provo I am writing to urge you to re-appoint Stanley Roberts Jr. as Provo river Water commissioner for the ensuing year.

I have been hearing rumors that there is a move to replace him. I hope they are only rumors. ~~only~~. The Rock Canyon Water company has found Stan's performance very satisfactory, and will resist his being replaced in the strongest terms possible.

Howell A Johnson
President Rock Canyon Co.
