~~T W Smith~~

A special meeting of the board of Directors of Circleville Tr. Co. and Loss Creek Tr. Co. held at residence of Arthur Whittaker Sept 18-35 The business before the boards was to discuss application of the underground water; to file claim on the underground water. It was mutually agreed that the pump be started and run during the day. Arthur Whittaker made a motion that the pump be run on the distilate now on hand to determine the amount of water the pump will throw out. Geo Horton was authorized to start the well.
