RE: Reconsideration of Application Number 57-7800 (a28548)

Dear Interested Party:

A request has been received by our office regarding the above numbered application. Review of the request for reconsideration of the action taken by the State Engineer regarding this application has been made. The request is hereby **GRANTED**. Please be advised that current interpretation of the Utah Administrative Procedures Act (UAPA) indicates that granting of a request for reconsideration sets aside the administrative decision to (approve/reject) the referenced application in its entirety. Therefore, this application has reverted to its status prior to the Order of the State Engineer (unapproved) until resolution of the reconsideration.

If you have any questions, please contact our office.

Sincerely,

Kent L. Jones, P.E.  
State Engineer
