RE: Lower Jordan River Distribution System Meeting for 2012

Dear Lane,

Enclosed is a copy of our proposed schedule for the 2012 annual distribution meetings.

We would like to hold the meeting for your distribution system on Thursday, January 26, 2012, at 1:00 pm. We hope that by scheduling the meetings this far in advance we will be able to avoid any conflict with your schedule.

At the meeting the water users will need to recommend that the State Engineer re-appoint you to a new four-year term. As you know this process is being done to allow you to become eligible for the state's retirement system.

If you have any questions or if there is a serious conflict with the proposed schedule for your meetings, please contact me and we will see what we can work out. I can be contacted by phone at (801) 538-7380 or by email at jaredmanning@utah.gov. Our meeting schedule will be finalized and we will start making meeting place arrangements towards the middle of December, so I need to know as soon as possible if there is a problem with your scheduled meeting date and time.

Thanks for your help.

Sincerely,

Jared Manning, P.E.
Assistant State Engineer for Distribution
