Water Users
Yale Montgomery
Rollo Kimber
Wallace Spencer
Kenneth Richins
Darwin Thompson
Thomas Teeter

Minutes of 1965 meeting read and approved.
Mr. Norseth stated that a minor could be bonded at the option of the Bonding Company.

Mr. Reese gave financial report for 1965. A motion was made by Wallace Spencer that report be approved as given. Seconded by Rollo Kimber

Motion carried.

Water Commissoner gave report on 1965 activities. Recommended that the Lone Rock divider be repaired and refaced to permit more accurate division of water. also stated a flow chart for an 18 inch parshall flume was needed. He also advised those present that the Harold Oman weir (near his house) had no regulating device of any kind.

April 15 was set as deadline for submitting name of 1966 water commissoner to State Engineers Office.

Rollo Kimber made motion that budget be same as previous year with same assessment. Seconded by Wallace Spencer. Motion approved by all present.

Mr. Norseth gave report on organization of Engineers office. Mr. Dee Hansen Logan, Utah can be contacted for problems within this district.

Motion made by Rollo Kimber, seconded by Thomas Teeter, that Water Users Committee remain same.

Motion carried.
