Dear Teresa:

This is to respectfully assert interest in the ongoing water rights proceedings as they affect Little Cottonwood Canyon. Cottonwood Hydro, LLC, the predecessor & sole successor of Alta Energy, LLC, is a small, hydroelectric facility at the mouth of Little Cottonwood Canyon. Our understanding is that Alta Energy requested to be removed from the updates but we would like to be re-instated and kept abreast of news and happenings as related to the Little Cottonwood Creek and other water rights in the canyon.

Please let me know if you have any questions and/or require further information.

Warm Regards,

Susannah Williams
