Commissioner Report

The Commissioner report was given by Commissioner Larry Saddler

it was spoiled because of the cold weather in spring the flow of water was slowed down and this caused a poor water year

There was a report on the midway ditch in burnfork that it had been dug down 4 or 5 feet below the creek bottom and no head gate to regulate the water

It was spoiled Will Heller pond that would not let the water get to Birch Creek

A motion was made by Leroy Saddler that this pond be removed before the water year 1975 this motion was seconed by Don Wilde

Don Forsith said he would take care of this problem as soon as possible

Commissioner for 1975

It was recomend by Don Wilde that Leroy Saddler be asked to stay as water Commissioner for the year of 1975

Taray Saddler was asked if he would accept the commissioner job for 1975 which he agreed too. It was agreed that he would take the same pay on Burntfork & Burch Creek but if he had to regulate Heneys Fork would have to have more money

There was a report given by Robert Guy that the State of Utah had over approtated the water and any one with a permit no. over .015 could be canciled

Motion was made by Jon Wilde meeting be adjurned
Seconed by Taray Saddler
