Commissioner Report

The Commissioner report was given by Ray Saddler which he reported 1973 had been a good year and

did not take too much
regulating of water
It was also reported that
someone had shut the gate
on Island Lake and when he
went up in the Fall the lake
was half full of water
There was a discussion on how
to lock the gate to keep
this from happening another year
It was also stated by
Alonzo Jamie that the Forest
Service would help watch the
Gate
The Baldie Spring ditch was
also brought up. It was
reported that the ditch did
not have a Head Gate. John
Tuckert said he would have
this fixed and any other
Head Gates that need Fixed
A motion was made
by Jon Wilde that Larry
Saddler remain as water
commissioner for 1974 seconded
by Alonzo Jamie Voted and approved

La Ray Saddler agreed to take the same wage as in 1973

There was also a report by Donald Norseth because of so much flooding in 1973 that he was unable to get to Island lake to make the study of the lake. He said would go up this year as soon as Ray Saddler though they could get up there. John Teichert said he would also send some one too.
