Dear Robert W Leake

In regard to your letter on the storage of water in Hoop Lake. I would like to know How to petitioning the court

I would also would like to ask you concerning the rights of the Interstate Irrigation Co of Apr 1. able to take all water in the brintfork creek where the water has been adjudicated between the states and wyo. has priority over Interstate Irrigation co and also has a right before the first of Apr to use water will the water be regulated on a priority bases

I have also have a letter on the storage of Hoop lake I am sending you

Plees send me an answer as soon as you can

Yours Truly
Earl Hanks
