MEETING MINUTES FOR 2-23-2012

Meeting begun at 11 Feb 23, 2012
Minutes read & approved.
Commissioners report snow pack was 160% of normal. Leave stock water out of ditches once it is turned out. New weir installed at mouth of canyon works very well. Dont throw limbs or stick or trees into canals.
Canal

Road needs to be built up at bone hallow.
House bill 298 gives canal companies a chance to protect canals in housing areas. Goes into effect 2013 - Need new templait.
Need saftey for flood waters coming into canals
Some canals overrun with landscaping.
Need to follow water down & take out tumble wee
Mammoth canal needs to be cleaned by Phil Jolleys. Abadare Canal needs cleaning in front of ~~[illegible]~~ flume. All flumes need to be cleaned & level. Parshall flumes need to be level.
Report read & approved.
Jerad Manning took Lee Simms place. 1967 agreement between users below Patterson dam. & Minersville Rocky Ford. No way to measure Minersville water in main channel. Gage at Adamsville bridge is not accurate. Springs in bottom of Resivior flowing 10 cfs and needs to be figured into the devision of the rights. Decree can
