Subject: roster questions confirming amounts

last year prior to assessments (Feb 2011)we combined two Elmer Tim Marshall accounts under one, so we have inactive 101274 with the old 169.38 acres combined with the active 101271 444.38 acres to get a new total of 613.77. That is what we billed them in 2011.
I am just wanting to confirm the number of acres. 303.42

Circle 4 account 101250: Acre Feet industrial use went up from 1459.36 to 2346.53 im using the second number to bill in 2012- Right?
Circle 4 account 101301 for acres farmed or leased went from 318.5 to 353, again Im using second number for billing in 2012 - Right ~~322~~ 377.12

CHAD DACTON
Highline farms account 103058 was a t 136 acres, now billing ~~A~~317.12? why so far off? 317

Intermountain renewable power now 103136 for 364.227 secondary AF) 1456.91

I am a little confused on note next to 101280 where it says "101296 delete" but there is no acre changes, what is status on 101296? Lary Carter and Peterson?? LEAVE AS IS

101275 was made inactive so are the 220.90 acres correct for this 101294 acct? otherwise what needs to be done here?

Rosemary Bowman Trust is now Bowman, Rosemary Trust, changed acres to ~~191.85~~ 171.85

Running C ranch cant make out the number under 120, is 120 Ok? ✓

Running W changed from 222.94 to 165.94 SAME AS WISEMANS

Wiseman farms note including susan clark ? new total is 1437.11 71.531

Let me know and I will get the assessments out.
