RE: Permanent Change Application Numbers 57-7800 (a28548) and 57-10317 (a28545)

Dear Applicants,

Permanent Change Application Numbers 57-7800 (a28548) and 57-10317 (a28545) were approved by the State Engineer January 9, 2014. The State Engineer was served February 19, 2014, with summons to participate in the judicial review of those approvals as Utah Code Section 73-3-14 requires. On February 24, 2014, Salt Lake City as plaintiff in the judicial review proceeding, petitioned the State Engineer to stay his orders pursuant to Utah Code Section 63G-4-405, which provides that an "agency may grant a stay of its order or other temporary remedy during the pendency of judicial review." The statute further provides that if the agency denies the request for a stay it shall specify the reasons the stay was not granted. The State Engineer by this communication notifies the change applicants of the petition and allows 20 days from the date of this letter to supply reasons why stay should not be granted.

Sincerely,

Kent L. Jones
State Engineer
