RE: Permanent Change Application Numbers 57-7800 (a28548) and 57-10317 (a28545)

Dear Mr. Jones,

We join in Salt Lake City's petition to stay Permanent Change Application Numbers 57-7800 (a28548) and 57-10317 (a28545) approved by the State Engineer January 9, 2014 during the pendency of the judicial review. We have concerns about the Applicants attempting to bring drilling equipment over our ski runs or terrain that we operate and manage pursuant to a permit with the Forest Service.

Sincerely,

Allen L. Orr
General Counsel
