Agnes Farnsworth,
Coalville, Utah.

Dear Madam:

I am wondering if you would be so kind as to send this letter to the water comm. in Utah. as I do not know whom to send it to.

Would you please have him send me a water book for Utah. The ranch in Utah here which I have an interest in. the Uintah Ranch & Water Co. is supposed to have a good water right from Bear Creek. But there are several small ranches in Wyo. near there. without any water right. which are getting all the water.

There is plenty of water there for all of us - if some didn't insist on having it all.

I wonder if I could be appointed water comm. for these few ranches in Utah - upon here on Beaver creek. I feel sure that they are all treated fairly -

Very truly yours,
Joe Hickey
