Mr G. H. Humphreys.
State Engineer.
Salt Lake City, Utah.
Dear Sir:-

I am writing you in regards to my being water commissioner last summer.

I haven't received one cent from the Henrys Fork Water Users Ass. and they dont seem to make any effort to pay me as I have written Mr W. G. Jennis Pres. of the ass. and Mr. Henry Heimer Sec & Treas. but I dont get any money nor no answer to my letters. That I would write to you to see if you could stir them up

a little.

I dont figure on acting as water Comm. this season so if you would tell them as you did last year, that you would not make an appointment to any one as Water Comm. until I was paid they my pay as they did last year, when they found out they had to.

They owe me $154 00/100 with my assessment out, and I could use this money very nicely now if I had it.

Thanking you for what I you can do for me,

I am Resp't Yours

I. Owen Bullock
