Burnt Fork, Wyo.
Feb. 10, 1936

Dear Mr. Herman,

I received your letter, and a copy of the letter you sent to Mr. Heines. The water association is not going to pay the bill due us. We were asked to appear in Salt Lake City on the Jensen Water trial, by the engineer's office. We look forward to the money due us. I borrowed the money from "The First Security Bank" of Rock Springs, Wyoming to make the trip. My note is due Feb. 15, 1936. I shall expect a check to cover my expenses. The trip to Salt Lake City and back is 320 miles. The amount due me is $32.00.

Very truly yours,
Harry Katzmyer
