Burntfork, Wyo.
Jan. 16 - 1936

State Engineer
Salt Lake City.

Dear Sir:-

I saw Mr. Steiner some time ago and he said he had answered your letter. I talked to the assistant general attorney when I was in Salt Lake. He said he would try and get our money. Our trip to Salt Lake and back was 320 miles. We sure need the money.

Yours very truly, Harry Katzenyer
