Clarence E. Erickson.

Dear Mr Erickson

We made a rush trip to Island lake not knowing until the nite before. So I had no time to let you know. So you will have to let me know when you want to go. how long you will want to stay?

I can get horses and any thing needed if I have a little time.

The water is holding out good I think but there is so many beaver dams that its a problem to get it where you want it

will be glad to see you come out. & if I can be of any service let me know

Sincerely
Lyle Anderson
