6 pm Manila Daggett Co. Courthouse
~~Thu~~ Thursday March 10, 1960

C - called meeting to order - some members not present - snowed in -
Chm meeks unable to attend.
select Utah rep. to replace [Claude ~~Saddler~~] on ~~Ex~~ Com.

800.0000
533.3328 - Wyo
266.6672 Utah } 1960

Ray Saddler - appointed to Ex Com.
(secretary)

Dave Miller excused early for another appointment

DM - hope have better W. Supply this year and will be able to get along in the valley without friction. -
- will recommend to Wyo interests that Moile triplett be water commission for 1960
666666
8
533.3328

Recommend 50 raise - total 800 2/3 Wyo.
$533.333328

If problems of magnitude arise feel free to call on his office at Rock Springs

C - Wyo - general fund and district financing of distribution
Utah - Assessment System
- Also feel free to call on Utah S.E.

DM - will cooperate for better administration

C - no comm can distribute water without proper measuring devices and proper controls - must insist that they be put in - so to insure everyone his proper proportion of water -

C - In absense of Ohm - may I have you permission to conduct the meeting -

Last years instructions - minutes, budget and expenditures — Commissioner - and Comm. report.

F. Reese - Read minutes of 1959.

FR - Utah portion of ~~[illegible]~~ $750-1959 budget.

$235 Utah assessment

All paid up - including all past delinquencies

278.42 - 206.59 =

51.01 begin - in Red → 20.88 End black

Bob Gamble Phone calls - stamps? will they come out of the 20.88?

C - no individual should stand these committee expenses - vouchers should be sent to S.E. and reimbursements made from the systems account -

- Lawrence Peck - 2nd Bob Gamble
- accept financial report

Norseth - Commissioner's report.
Mile triplett
18,000 Ac. ft measured at Canyon Mouth
30% loss at top of diversions.
12,400 Acft -
- 1000 Acft. loss to Baldy Spgs.

read total diversion records for each canal and ditch.

- Problems. ~~[illegible]~~ transmission loss problems
Hoop Lake div. problem - order lock on gate.

Recommendation
check
Report
- elim beaver dams. -
at mouth of Canyon ~~at~~ Burnt
Fork -
One channel at Muskrat
Spr.
Clean east channel ~~[illegible]~~
West " to perkins ditch

Return flow problem

N — High trans loss on Ike Edwards canal.
N — Birch Creek no measuring device

DM — Submit list of people who need headgates or measuring devices anywhere and we will see that they get them in.

DM — loss - who measured. ?
N — Triplett.
DM — subject to review — loss measurements.
— will bring in hydrographer

DM - Island Lake capacity - on proof maps - (775 Acft ?
(699 - 775)

N - no constant trans losses - varying over the system and at the same place under different conditions

DM — determine whether be well to put in gage systems to determine to trans. loss.

7/5
86

Interstate canal - waste under gate -
can't shut off - about (5 cfs)

C - cooperate attitude between Utah + Wyo
will find out more about these problems
and help eliminate or reduce them.

DM - gages and loss studies.

C - Commissioner? - past Com. Mr. Triplett?

C - Contact Triplett and if arrangements are alright
then notify the S.E. and he will make the
appointment

$266.67 utah share of $800.00 budget.

~~$270~~
~~10 - Bondi & Ins~~ ($270 - total budget)
~~20 - misc.~~
~~$300 - 1940~~

1960 Budget

216.67 - salary
35.00 additional work for Utah $12 day 7¢ mile
251.67 -
270.00 — 18.33 for bonds + Insurance premium

— Lawrence Peck - Gene Gamble 2nd

C - com. to talk to Triplett - S.E. will appoint him - We will work with him to get information for Wyo and Utah on loss problems and try to fill rights in proper order.

The ditch - water cant reach - point of use

C - If water drops below a flow that can not reach an early priority then to save water release may not be necessary but many factors must enter into the water problems.

C. Delinquent assessments.
May 1 due - Statewide law
10% del. charge or min of $1.00
June 1 or 60 days after notices are
sent out.

C - de. ft assement basis - - $5 yr
average delivery -

B.C. Birch creek measuring devices

Norseth - act as group to put in devices and
get help from A.C.P.

Notify Interstate Canal Co. to repair headgate
to eliminate loss -
— Inform Wyo —
