Dear Sir:

In regard to the division of the water flowing below the Mt. Carmel dam. Shown on page 8, of the decree of the Virgin River.

I talked with Mr. Lamb, the Long Valley water commissioner today. He has received your letter of information. But Mr. Morrison objects to your decision in this matter. The commissioner informed me that he has written you for farther information.

If you have not sent him this information, will you do so at once, as it is a de-
