Fredonia, Ariz. July 7/36.

Office of State Engineer
Salt Lake City, Ut.

Gentlemen:

I have notice that I am behind on my Long Valley Water assessment. Will you kindly let me know the amount Joseph Brooksby is owing, and if any belonging to W. J. Brooksby.

That belonging to W. J. Brooksby should really be in Alfred's name as transfer to Alfred from him as been made long ago. However, I believe the notices still come to W. J. Brooksby instead of Alfred.

Yours truly,
John Brooksby.
