September 20, 1961

General

Mr. Charles C. Anderson, Chairman
East Fork of the Virgin River
Glendale, Utah

Dear Mr. Anderson:

Reference is made to your letter of September 17, 1961 in which you request that the tour of duty of the Commissioner, Mr. Charles F. Hepworth, be extended to October 1, 1961.

On checking with our Business Manager, Mr. Frank Reese, I find you have enough funds in your reserves to cover this item. We, of course, in response to your request will have Mr. Hepworth continue distributing your water to this date. Mr. Hepworth will be notified by a copy of this letter that his services are hereby extended to October 1, 1961 and to whatever later date the available funds would cover and the needs of water users would indicate.

I trust this will be satisfactory.

Yours very truly,

Donald C. Norseth

Office of State Engineer,
Salt Lake City, Utah.

Mr Wayne D. Criddle

Dear Sir, Mr Charles T. Hepworth called on me a few days ago and ask me to contact the other members of the Commitee of the East Fork Virgin Distribution System. Regarding the continuing his pay as Ditch rider after Sept. 1. I contacted Mark Chamberlain & Sharon Leamb. I haunt as yet saw Mr Merrill McDonald but Mr Hepworth said he had talked to him and he said he would go along with what the other committeemen wanted to do.

Mr Chamberlain and Mr Leamb said they were in favor of paying Mr Hepworth for one more month or up to Oct. 1st so I will go along with them.

Respct. yours

Charles E. Anderson Chairman
East Fork Virgin Distribution System

Frank
If the users wish the commissioner to continue and have the funds I believe we should immediately make the necessary arrangements. I will inform Hepworth and anderson of this.

DCM.
