State Engineer
Salt Lake City, Utah.

Dear Sir; There has been some trouble here between two partis (D. L. Foote & a Mr. Bowers) stealing water from each other, each think I should serve out a complaint against the other. I have not been able to consult an attorney regarding this matter. It seems to me they should settle their dispute through the civil courts. Could you advise me what should be done in this matter

Yours very truly,
W. S. Carpenter
