State Engineer
Salt Lake City, Utah.

Dear Sir:- Yours of May 2nd rec'd in which you ask for bond of $1000.00

I have yet $17.50/100 due me for services rendered in 1933 as water commissioner only recently I rec'd $30.00 of last years wages. I have no assurance that this years wages will be any more prompt.

Unless my wages are guaranteed by the State Engineer I will not sign this bond but will return to your office if you desire it so.

Yours very truly
W. H. Carpenter
