Dear Sir

In farthea referring to the appointing a watter Commissioner for the Long valley division Will you kindly make a study of Sec. 62, and 64, page 20, of Session laws 1919 to 1925, relating to water and Water rights.

I understand that it is a direct duty of your office to cause the water to be devided according to respective rights. at all times during the irrigating season.

Will you kindly see to this matter at once the majority of the water users on this division dont want a commissioner at anytime.

I mailed you a request on April 9th. your delay is permitting other people the use of my water.

Yours Truly
D. L. Foote
