Cedar City Utt. Sept. 12, 32

State Engineers Office
Salt Lake City, Utt.

Dear Sirs; Enclosed please find check for $2.05 as payment of account according to statement enclosed.

I suppose this water is the same as that proved up on by Homer W. Esplin and Geneva E. Chamberlain from the Little Meadow creek and has been placed in the Long-valley division. If not I cannot figure what water it is.

Very truly yours
Chas. H. Esplin.
