State Engineer's Office
Salt Lake City Utah
Dear Sir:

Some time ago a meeting of the Coal Creek Water Users was held in the Courtroom of the City & County Building. A motion was made that we recommend Theron Ashcroft for water commissioner for the following year. His address is 369 S. 200 W. Cedar City Utah.

All assements to the users have been paid for previous years and the commissioner has been paid in full while I have been Secretary. A new assement has been made to take care of the expense for the following year. Find inclosed check for $5.00 for commission bond. I trust that our business is in order to meet your approval.

Respectfully
Thelmer Stratton
Secretary
