The financial report was read. A motion was made by Raymond Lunt & seconded by Howard Nelson to approve the report as read. It was unanimous.

Chairman - We are now in order to elect a Chairman & secretary for the following year. A motion was made to retain the chairman & secretary, by Henry Jones & seconded by Howard Nelson.
It was unanimous.

A motion was made to keep the budget the same as last year, by Henry Jones & seconded by May Heap.
It was unanimous.

Chairman - A motion is now in order to recommend a water Commissioner. The secretary reported three Engineers who were available.

A motion was made to recommend Theron Ashcroft for Water Commissioner for the following year, by Raymond Hunt & seconded by Elwood Covey.
It was unanimous.

Clemont Adams had previously notified the chairman & secretary that he intended to resign at the end of the present water season. The chairman asked Clemont Adams to give his report of the distribution of the water of Coal Creek for 1958. The report was explained and he requested that the fields pay for the report. $100.00 was allowed for the report.

Lorenzo Luke asked the group to give Clemont a vote of thanks by saying I. The vote was unanimous.

Mr. Luke asked Clifton Johnson if he would like to make a report. Mr Johnson said he was sure the State Engineer would be glad to accept the Clemont Adams report. Also he would like information in regard to the qualities of recommended engineers and a copy of the minutes of the meeting. Mr. Johnson said the State Engineer wants him to work to help get all rights in order for the final determination by the court.

The meeting was adjourned.
