Mr. Melvin Alvey
Escalante, Utah 84726

Dear Mr. Alvey:

We have received notification from the bonding company that you have not returned the bond that was sent to you for signature. We cannot complete the processing of your official appointment as Commissioner of the Alvey Wash Distribution System.

Please send the bond to the bonding company or to this office so that we can complete your official appointment. There is no expense involved to you. It is only a performance bond required by law for our river commissioners. Your prompt response will be appreciated.

Yours truly,

Donald C. Norseth
Distribution Engineer
