MAR 03 1980
WATER RIGHTS

Minutes of East Fork of Virgin River Water Users Assoc
Held Feb 14, 1980 in Bank Room - Shanel Lamb Taking Charge

1- State Water Engineer or Representatives not Present.

2- Financial state for 1979 Reviewed & discussed.
Financial statement was accepted with question as to why $600.00 was approved, but 700.00 was expended, members had question about this.

3- 1980 Budget be the same as 1979. With Commissioners Salary @ 600.00
motion made by Roger Chamberlain seconded by Mr Drever.

4 moved that Burke Sorensen be Retained as water commissioner for 1980 - with salary & mileage same 1979 - motion made by Clare Esplin
seconded Bernard Tait

5. meeting open to discussion
the weir on East ditch of Glendale system discussed as too high & not measuring correct, Norman Carroll indicated the current cement structure was to be taken out replaced with a metal weir, this was left up to the Glendale Irrigation Co.

6- Winter water storage was discussed Roger Chamberlain was appointed to ck with Rex Bauer and see if a feasibility study had ever been made by the County Soil Conservation District into the Orderville Cove area. It felt by those present this area may have some potential.

7 moved by Cleve Esplin sec by Dr. Drevior to adjourn if there was no further business.
