(1971 Can Pitch R/S minutes)

Dear Mr. Pexton:

I received your letter and copy of the budget the other day. However, You sent the 1970 financial statement and budget to me. I needed the copy for 1971.

I am sending a copy of the minutes of last January's meeting with a space left for you to fill out for the 1971 budget as I don't have it.

Would you please complete the minutes and send me a copy?

Very truly yours,

Rodney Jay Peterson
