A majority of the members of the association and a majority of the rights on the Santa Clara River were represented.

Donald E. Norseth said the New Castle rights to Grass Valley water had been investigated and were being used in accordance with the court decree.

Charles Hafen read the call of the meeting.

The minutes of the meeting held Feb. 28, 1962, were read and approved.

The Financial Report of the Santa Clara River Distribution System for the year 1962 was read and approved.

Commissioner Wilford Holt said that the weirs used by the Seep Ditch Irrigation Co. and the St. Geo. and Santa Clara Bench Irrigation Co. did not measure the water in their canals accurately and and that the staffs on the parcell flumes in other canals were worn out and needed to be replaced.

Cecil Blake made a motion that the Waterusers Committee buy staffs with measurement readings in sec. ft. for two feet and three feet parcell

flumes and sell them to the companies needing them. Motion carried.

It was suggested that such staffs might be obtained from the college at Logan. Paul Hafen made a motion that Wilford Holt be elected to be recommended to the State Engineer for commissioner for 1963, and that his travel expense be raised ten dollars per month. Motion carried.

The rules were suspended and Wilford Holt was elected unanimously to be recommended to the State Engineer to be commissioner for 1963 and until his successor is appointed.

Reed Malkis made a motion, which carried, that the State Engineer be authorized to make an assessment of $1500.00 to raise the amounts set up in the budget.

Budget for the year 1963.

Commissioner's salary	$720.00
