RE: Little Bear Rive Dist. System

Dear Mr. Farnsworth:

Upon returning to the office I followed through with your request as to the reason you were not assessed in 1967. Please be advised that inadvertently your account was omitted from the assessment rolls. Enclosed with this letter is an assessment notice for 1967, upon wich the 10% late tax is not assessed due to our inadvertency.

I will send a copy of this letter to our business office that they may endorse their records in putting you back on the assessment roll.

If you have any questions concerning this, let me know and I will supply what information I can. I would like to meet with you on my next trip to the area and will set up a meeting with you at that time.

Yours very truly,

Donald C. Norseth
