read and Seconed by Charles
Meeks

Financial report for 1971
It was reported that there would
be $82.24 left in the distribution
Trust Fund. after Jaray Saddler
was paid. Jaray did not have
Voucher to send in

Commissioner report
The Commissioner report was given
by Commissioner Jaray Saddler.
He reported that had got along
good with the commission for
he also reported that there was
some Head gates that were
leaking water around them and
that a back hoe had dug a
new ditch from creek
Jaray also said he had
sent a report in to the State
Engineer office on the condition
of all the gates on Paint fork and
Butch Creek
It was also reported

that there was very few Head Gates on Beaver Creek
A dissusion was also brought up as to some water being left on all winter in some ditches causing some damage to ranch land under these ditches
It was also asked if there any complants of the water commissioner. There were none
It was also brought up there was a parshel Flum that was a ½ mile From gate on the Mid way ditch

Expence and Budget
A dissussion Budget was opened by Don Horseth it was agreed to asses the same as 1970 10c per acer A Motion made by Jon Wilde Asses the 10c per Acr which would be $270.00 this was Seconed by Laray Sadlier

Nomations For Commissioner
There were no nonations for Commissioner Laray Sadlier was asked if he would thake the job for 1972 which he agreed. Which was Voted all for none against

Nominations for Committee
Motion made by Alonzo Jarvie that the committee stay the same for another year Seconed by Theron Wilde

Water report
The Water report was given by Donald Norseth most areas were above normal in our area the outlook was about the same as last year

Island Lake
A dissussion of Island Lake was brought up by Don Norseth I was agreed that the Interstate Cannel to put a measureing device at the lake. Don Norseth he would find the maps of the Lake and find the amount of Storage it had in it. Tarry Gadlier was to get with Marvin Bullschweter and try to better divide the water at Canal Gate as there has been some feelings that the water has not been divided properly because of the long ways it has to run in creek and the drop in the Stream Motion Made by Bert Wilde Meeting he adjourned Seconed by Theron Wilde
