read seconed by Jon Wilde

Financial Statment and
report was given by State
Engineer Frank Reese the balance
Dec 31, 1968 159.47 which showed
a drop of 35.95 Below

previous year
Motion made by Ray Sadler to make assessment the same as the previous year Seconded by Jon Wilde
Voted on by water users
Voting was all for None against
Commissioner report
Commissioner was absent Don Morselle had talked with Willard Stringer and he had not quit the job. Don said would contact Mr Stringer and report to Committee

Water Report
Water report was given by Don Morselle the water year looked good in some areas there was up to 300 percent of normal our area was between 120.160 percent of Normal
Also gave a report on Storage water
It was also reported there had been a water Distribution System formed on Beaver Creek
It was suggested by

Don Norsette to combined the two systems that it may help to lower the cost of Commisioner Joe Hickey was asked to talk with the Beaver Creek System users and see what could be worked out

A question was brought up about the storage water in Hoops Lake Wanted to know if the water could be held over from one year to another It was reported by Don Norsette that this can be done as long as the resivior does not spill over

It was recomended that the Hoops Lake Co write in there by laws the amount of sinkage on water held over

A dissession on a divider in Burntfork Creek at Charles Meeks Section no decision was made

Investate Canal Co Rep.
by Bert Wilde gave a report
on a leak in head gate reported
by water Comm. previous year
Mr Wilde said he knew of
no leak and if the Comm.
would show him they would
fix it
Discussion on Island Lake
as to storing water in irrigation
season
It was reported that
Fisherman break the locks
and shut the gate
The Investate Canal Co
mailed to send a man
with the Comm. when
checking Investate water

Motion made by Ray
Sadler to adjourn meeting
Seconed by Jon Wilde
