File

12-12

Name	Rep
Don Noselle	Division of water Rights
John Teichert	Supert Water Divers #4 Wyo
Bob Guy	Air Engineer
T Winton Smith	Water rights
La Ray Saddler	self
Bob Gamble	"
Earl Hanks	"
John Wilde	"
Duane Beck	"
Willard Stringer	Commissioner

Minutes were read and expted as read by Bob Gamble

Financial Statment was read and the amount of money was correct. The balance Dec 21 1967 was 195.45

Motion made by Bob Gamble that the same assment be made as there was in 1967 and that $68.00 would be taken from last years carry over

Motion Second by La Ray Saddler

there was a discussion of the water commission. Willard Stunger had bought a ranch and did not know if he would be able to keep the Comm. job

Motion made by Jo Ray Sullivan to leave the water comm. as it is until Willard Stunger quit at which time another meeting would be held and another Comm. appointed

Motion seconded by Bob Gamble

A discussion on a way to obtain funds from the Beaver meadow and Island lake for the expence of the water Comm.

It was spoken by the Engineer John Tuckett that there was a law that the State could assess for this but recommend that the committee meet with the Innerstate Canal Co and try to work out a suitable cost

Willard Stunger recommend a Charge of $90 per season based on the time he has had to spend on previous years

Water Comm. report

The water Comm. wanted to know if he should regulate water

before May 15 he was told by Mr Fleichert that he had the atherly any time of the year and should if called
report on water on Burnfork
the run off 1966-67 was 7.2 greater than the previous year

A dissicussion on divider in Burntfork at Meeks Section no dission was made

It was reported by the Comm. that the Head gate on the Innerstate Canal was leaking 3½ feet of water through rocks at Head Gate
Willard Stringer was to tell the president of canal Co and have fixed

Mention was made of Sa Ray Sadlier had given up the Sec office but remains on the committee

The question was brought up of Tompson creek and Island Lake as to storage water. Any rights pri to 1930 could take Tompson creek No dissicussion was made on Island lake it was agreed that they were storing water in the

irrigation season

Don Rosetti reported on Beaver Creek that it was going to be brought into judicial system and also gave a moisture report

Motion made by John Walde to adjourn meeting as it was
Second by Duane Beck

Motion made to adjourn meeting by Bob Gamble
Second by Ira Ray Sadler

Earl Hawks
Secretary
