Hon. Harvey H. Cluff,
Attorney General,
Building.

Dear Sir;

RE: TWIN & CEDAR CREEKS.

I have been unable to collect from the Twin & Cedar Creek Irrigation Company it's proportion of the distribution expenses for this year and have not even received a reply to my letters.

In view of the great importance of enforcing the collection of these distribution assessments I wish to take legal action against this Company. If it meets with your approval I would prefer to do this through your office which will save envolving the County Attorney.

I am enclosing a rough draft of complaint which sets out the main facts.

Yours very truly,

State Engineer.
