Dear Sir: REL: INDIAN WATER RIGHTS

I have been examining an Act of Congress of 1899, relating to the acquisition of rights of way and water rights on the Uintah Reservation, and note that the Secretary of Interior is authorized to promulgate rules and regulations on the subject.

I assume that this has been done and would appreciate it very much if you will send me a copy of the same.

I would also like any other circulars you have available on that question of regulation of water rights on the Indian Reservation.

Yours very truly,
